EXTENSION OF PROPERTY AT ABOVE ADDRESS

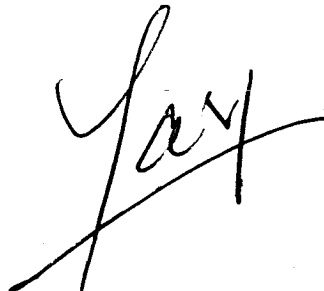

Dear Ben and Terry,

I am sending this letter to you both just to confirm that we have been very impressed by the way you have undertaken and executed the extension to our home at Balhannah.

The workmanship presented is of a high standard indeed. Also, we appreciated your very personal approach off and on the job which led to the satisfactory conclusion of the project within the agreed times.

Please feel free to use this memo as a reference for future clients.

with kindest regards,
